Dear Katie,

The FOIA you submitted on October 17, 2018 (USTR-18-0669/FY19-05) requesting calendars for Robert Lighthizer, Jamieson Greer, G. Payne Griffin, Pamela A. Marcus, and anyone who has served as White House Liaison since January 20, 2017 is the third such request we have received from American Oversight. USTR-17-0441/FY18-21 and USTR-18-0085/FY18-75 requested the calendars for Robert Lighthizer, Jamieson Greer, Stephen Vaughn and John Melle from January 20, 2017 through November 1, 2017 and November 2, 2017 to April 30, 2018, respectively. As I explained to your colleague Sara Creighton on November 14, 2017, the version of Outlook that USTR uses does not produce calendars in "memo style," an automated format that includes all invitees, notes, and attachments. Because we understand American Oversight prefers the individual entries, we have previously produced calendars in the "Daily Style," the manner in which USTR employees keep their calendars, with an invitation to specify individual entries that address a particular topic, e.g., NAFTA in the prior requests. I would like to extend the same offer to you as the staff attorney assigned to this request.

USTR continues to proactively disclose Robert Lighthizer's and Jamieson Greer's calendars in the [FOIA Library](#). January and February 2019 should be posted in the next week or so. Stewart Ackerly assumed the role of White House liaison on August 1, 2018 after G. Payne Griffin's departure. You may download Stewart's calendar from August 1, 2018 through December 31, 2018 here: <https://drive.max.gov/share/f7246346cc960944> and Pam Marcus's calendar from June 12, 2017 through December 31, 2018 here: <https://drive.max.gov/share/d5978dd5d2853b3e>

We will consider this request closed if we do not hear from you by April 12, 2019, at which point you may administratively appeal by writing to: FOIA Office, ATTN: Janice Kaye, Office of the US Trade Representative, Anacostia Naval Annex, Bldg. 410/Door 123, 250 Murray Lane, S.W., Washington, D.C. 20509. Your appeal must be postmarked or electronically transmitted within 90 days of the date of the response to your request. Both the letter and the envelope should be clearly marked: "Freedom of Information Act Appeal" and should include a reference to the FOIA Case File number listed above. Heightened security in force may delay mail delivery; therefore we suggest that you also email any such appeal to foia@ustr.eop.gov.

In the event you are dissatisfied with the results of any such appeal, judicial review will thereafter be available to you in the United States District Court for the judicial district in which you reside or have your principal place of business, or in the District of Columbia, where we searched for the records you requested.

Thank you,
Monique

Re: Freedom of Information Act Request

Dear FOIA Officer:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, and your agency's implementing regulations, American Oversight makes the following request for records. In particular, American Oversight seeks records that will inform the American public of how senior government officials are choosing to spend taxpayer dollars.

Requested Records

American Oversight requests that the Office of the U.S. Trade Representative (USTR) produce the following within twenty business days:

All calendars or calendar entries for any of the following individuals, including any calendars maintained on behalf of these individuals (e.g., by an administrative assistant):

- Robert Lighthizer
- Jamieson Greer
- G. Payne Griffin
- Pamela A. Marcus
- Anyone who has served as White House Liaison since January 20, 2017

For these individuals, American Oversight requests that the calendars be produced in a format that includes all invitees, any notes, and all attachments.

Please provide all responsive records from the date each custodian joined USTR through the date the search is conducted.

Please do not limit your search to Outlook calendars. We request the production of any document—paper or electronic, whether on government-issued or personal devices—used to track or coordinate

government issues or personal devices used to track or document how these individuals allocate their time on agency business.

In addition to the records requested above, American Oversight also requests records describing the processing of this request, including records sufficient to identify search terms used and locations and custodians searched and any tracking sheets used to track the processing of this request. If your agency uses FOIA questionnaires or certifications completed by individual custodians or components to determine whether they possess responsive materials or to describe how they conducted searches, we also request any such records prepared in connection with the processing of this request.

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

Please search all records regarding agency business. **You may not exclude searches of files or emails in the personal custody of your officials, such as personal email accounts.** Records of official business conducted using unofficial systems or stored outside of official files are subject to the Federal Records Act and FOIA.[\[1\]](#) **It is not adequate to rely on policies and procedures that require officials to move such information to official systems within a certain period of time; American Oversight has a right to records contained in those files even if material has not yet been moved to official systems or if officials have, through negligence or willfulness, failed to meet their obligations.**[\[2\]](#)

In addition, please note that in conducting a “reasonable search” as required by law, you must employ the most up-to-date technologies and tools available, in addition to searches by individual custodians likely to have responsive information. Recent technology may have rendered your

agency’s prior FOIA practices unreasonable. **In light of the government-wide requirements to manage information electronically by the end of 2016, it is**

no longer reasonable to rely exclusively on custodian-driven searches. [3] **Furthermore, agencies that have adopted the National Archives and Records Administration (NARA) Capstone program, or similar policies, now maintain emails in a form that is reasonably likely to be more complete than individual custodians' files.** For example, a custodian may have deleted a responsive email from his or her email program, but your agency's archiving tools would capture that email under Capstone. Accordingly, American Oversight insists that your agency use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; agencies may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

Under the FOIA Improvement Act of 2016, agencies must adopt a presumption of disclosure, withholding information “only if . . . disclosure would harm an interest protected by an exemption” or “disclosure is prohibited by law.” [4] If it is your position that any portion of the requested records is exempt from disclosure, American Oversight requests that you provide an index of those documents as required under *Vaughn v. Rosen*, 484 F.2d 820 (D.C. Cir. 1973), *cert. denied*, 415 U.S. 977 (1974). As you are aware, a *Vaughn* index must describe each document claimed as exempt with sufficient specificity “to permit a reasoned judgment as to whether the material is actually exempt under FOIA.” [5] Moreover, the *Vaughn* index “must describe *each* document or portion thereof withheld, and for *each* withholding it must discuss the consequences of disclosing the sought-after information.” [6] Further, “the withholding agency must supply ‘a relatively detailed justification, specifically identifying the reasons why a particular exemption is relevant and correlating those claims with the particular part of a withheld document to which they apply.’” [7]

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. [8] Claims of nonsegregability must be made with the same degree of detail as required for claims of exemptions in a *Vaughn* index. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

You should institute a preservation hold on information responsive to this request. American Oversight intends to pursue all legal avenues to enforce its right of access under FOIA, including litigation if necessary. Accordingly, your agency is on notice that litigation is reasonably foreseeable.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

Fee Waiver Request

In accordance with 5 U.S.C. § 552(a)(4)(A)(iii) and your agency's implementing regulations, American Oversight requests a waiver of fees associated with processing this request for records. The subject of this request concerns the operations of the federal government, and the disclosures will likely contribute to public understanding of those operations. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because "disclosure of the [requested] information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government."^[9] The disclosure of the information sought under this request will document and reveal the activities of the federal government, including how high-ranking agency personnel are using their official time, with whom they are meeting to discuss official agency business, and whether and to what extent external interests are influencing administration policy decisions. For example, in one prior case, American Oversight successfully obtained Education Secretary DeVos's calendar entries, which revealed DeVos's frequent absences from office, staffing choices, and the influence of charter schools and

agencies from office, staffing choices, and the influence of charter schools and for-profit colleges on the Education Department.^[10] In this case, the requested calendar entries would “contribute

significant to public understanding of the operations and activities” of officials leading your agency.^[11] And, as described in more detail below, American Oversight’s website and social media accounts demonstrate its ability and intention to effectively convey information to the public.

This request is primarily and fundamentally for non-commercial purposes.^[12] As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.^[13] American Oversight has demonstrated its commitment to the public disclosure of documents and creation of editorial content. For example, after receiving records regarding an ethics waiver received by a senior DOJ attorney,^[14] American Oversight promptly posted the records to its website and published an analysis of what the records reflected about DOJ’s process for ethics waivers.^[15] As another example, American Oversight has a project called “Audit the Wall,” where the organization is gathering and analyzing information and commenting on public releases of information related to the administration’s proposed construction of a barrier along the U.S.-Mexico border.^[16]

Accordingly, American Oversight qualifies for a fee waiver.

Conclusion

We share a common mission to promote transparency in government. American Oversight looks forward to working with you on this request. If you do not understand any part of this request, have any questions, or foresee any problems in fully releasing the requested records, please contact Katherine Anthony at foia@americanoversight.org or (202) 897-3918. Also, if American Oversight’s request for a fee waiver is not granted in full, please contact us immediately upon making such a determination.

Sincerely,

Austin R. Evers
